CHICK PLACEMENT POLICY

If there is a request for the placement of the chicks, please voice that request to the Extension office. These requests will be taken into consideration and investigated by the Extension staff; however, there is no guarantee. Authorization must also be received by the specific individual(s) who would receive the chicks.

If you place a request to receive chicks from this program, it is implied that you have researched and are in compliance with local county and neighborhood ordinances in regards to owning livestock.

It is also understood that you will agree to care for the chicks in a humane and responsible manner.

Failure to adhere to the above requirements could result in fines and or legal action against you.

Please sign and return this policy form to:
