

Please join the Delaware 4-H Family and many others on **Saturday October 1, 2016**, for the induction of the third class of laureates into the Delaware 4-H Hall of Fame. This event will be held at the Modern Maturity Center beginning at 6:30 p.m. Tickets are \$50 and will include dinner, entertainment, and a visual history of Delaware 4-H. This event is sponsored by the Delaware 4-H Foundation to honor people who were active and influential in Delaware 4-H. The legacy that these laureates have left and in some cases continue to leave is what makes Delaware 4-H a premier positive youth development program. On this evening, 21 of the pillars of Delaware 4-H will be honored. Please come out and honor their achievements. Nominations for this important honor came in from across the state.
