**Bear Song**
(Tune of Sippin’ Cider)
The other day/ I met a bear
A great big bear/ oh, way out there

He looked at me/ I looked at him
He sized up me/ I sized up him

He said to me/ why don’t you run
I see you ain’t/ got any gun

And so I ran/ Away from there
But right behind/ me was that bear

In front of me/ There was a tree
A great big tree/ Oh Lordy be

The nearest branch/ was ten feet up
I’d have to jump/ and trust my luck

And so I jumped/ into the air
But I missed that branch/ Oh, way up there

Now don’t you fret/ and don't you frown Cause I caught that branch/On the way back down

The moral of/ this story is
Don’t mess with bears/ in tennis shoes

And knocked me out bed

Singing, eenie, weenie, meenie, minie, mo
Catch a bedbug, bedbug by the toe
And if he hollers, hollers, let him go Singing,

**Billboard Song**
As I was walking down the street
One bright and sunny day
I can upon a billboard
And much to my dismay
The sign was torn and tattered
From the storm the night before
The wind and rain had done their job
And this is what I saw

Smoke Coke-a-Cola cigarettes
Chew Wrigley’s Spearmint beer
Kennel-ration dog food makes your wife’s complexion clear

**PICK ONES WITH PUMPS!**
Simonize your baby with a Hershey’s candy bar
And Texaco’s the beauty cream that’s used by all the stars

That in this life I face
I’ll make my home, my country and
My world a better place

I pledge my heart to loyalty
That I may surely be
A champion of justice
For all humanity

I pledge my hands to service
That I may always try
To give my courage and my strength
To those with less than I

I pledge my health to living
A life in which I dare
To reach out for my brother’s hand
To love and hope and care

I take my stand, I make my pledge
And each day it means more
And from now on through all my life
I’ll pledge the H”s four

I’d hammer in the evening all over this land
I’d hammer out danger
I’d hammer out warning
I’d hammer out the love between
My brothers and my sisters
All over this land ooh, ooh, ooh

If I had a song, I’d sing it in the morning...

Now I’ve got a hammer, and I’ve got a bell
And I’ve got a song to sing all over this land
It’s the hammer of justice
It’s the bell of freedom
It’s a song about the love between
My brothers and my sisters
All over this land ooh, ooh, ooh

Happiness Flows
Happiness flows in a circular motion
Love is like a little boat upon the sea
Everyone is a part of everything anyway
You can be happy if you set yourself free

I Love the Mountains
I love the mountains, I love the rolling hills
I love the flowers, I love the daffodils
I love the fireside, when all the lights are low
Boomdeada, boomdeada, boomdeada, boomdeada
Boomdeada, boomdeada, boomdeada, boomdeada

Linger
Mmm-mmm I want to linger
Mmm-mmm a little longer
Mmm-mmm a little loner here with you

Mmm-mmm it’s such a perfect night
Mmm-mmm it doesn’t seem quite right
Mmm-mmm that this should be my last with you

Mmm-mmm and come September
Mmm-mmm I will remember
Mmm-mmm my camping days and friendships true

Mmm-mmm and as the years go by
Mmm-mmm I’ll think of you and sigh
Mmm-mmm this is goodnight and not goodbye

Patriotic Songs

America the Beautiful
O beautiful for spacious skies
For amber waves of grain
For purple mountain majesty
Above the fruited plain
America, America

God shed his grace on thee
And crowned thy good with brotherhood
From sea to shining sea

Oh beautiful for Pilgrim feet
Whose stern impasioned stress
A thoroughfare for freedom beat
Across the wilderness
America, America
God mend thine every flaw
Confirm thy soul in self-control
Thy liberty and law

Oh beautiful for heroes proved
In liberating strife
Who more than self their country loved
And mercy more than life
America, America
May God thy gold refine
‘Til all success be nobleness
And every gain divine

God Bless America
God bless America, land that I love
Stand beside her, and guide her
Through the night with a light from above
From the mountains, to the prairies
To the oceans, white with foam
God bless America, my home sweet home
God bless America, my home sweet home

God Bless the USA
If tomorrow all the things were gone
I worked for all my life
And I had to start again
With just my children and my wife
I’d thank my lucky stars
To be living here today
„Cause the flag still stands for freedom
And they can’t take that away
(Chorus)
And I’m proud to be an American
Where at least I know I’m free
And I won’t forget the men who died
Who gave that right to me
And I’d gladly stand up
Next to you
And defend her still today
Cause there ain’t no doubt I love this land
God bless the USA

From the lakes of Minnesota
To the hills of Tennessee
Across the plains of Texas
From sea to shining sea
From Detroit down to Houston and New York to L.A.
There’s pride in every American heart
And it’s time to stand and say (chorus 2x)

My Country ‘Tis of Thee
My country, ‘tis of thee
Sweet land of liberty
Of thee I sing.
Land where my fathers died
Land of the Pilgrim’s pride
From every mountain side,
Let freedom ring

The Star Spangled Banner
Oh, say can you see
By the dawn’s early light
What so proudly we hailed
At the twilight’s last gleaming?
Whose broad stripes and bright stars
Through the perilous fight
O’er the ramparts we watched Were so gallantly streaming?
And the rockets’ red glare
The bombs bursting in air
Gave proof through the night That our flag was still there.
Oh say does that star–spangled banner yet wave

O’er the land of the free
And the home of the brave

Taps
Day is done, gone the sun
From the lakes, from the hills, from the sky
All is well, safely rest
God is nigh

Fading light, dims the sight
And a star gems the sky, gleaming bright
From afar, drawing nigh
Falls the night

This Land is Your Land
This land is your land
This land is my land
From California
To New York island
From the redwood forest
To the gulf stream waters
This land was made for you and me

The sun was shining
As I was strolling
The wheat fields waving
And the dust clouds rolling
A voice was chanting
As the fog was lifting
This land was made for you and me

As I was walking
That ribbon of highway
I saw above me
That endless skyway
I saw below me
That golden valley
This land was made for you and me

You’re a Grand Old Flag
You’re a grand old flag
You’re a high-flying flag
And forever in peace may you wave
You’re the emblem of the land I love
The home of the free and the brave
Every hear beats true
For the red, white, and blue
Where there’s never a boast or a brag
But should auld acquaintance be forgot
Keep your eye on the grand old flag

Someone’s crying...
Someone’s praying...
Someone’s singing...
Come by here...

Pass it On
It only takes a spark, to get a fire glowing
And soon all those around, can warm up in it’s glowing
That’s how it is with god’s love
Once you’ve experienced it
You spread his love
To everyone
You want to pass it on

What a wondrous time is spring, when all the trees are budding
The birds begin to sing, the flowers start their blooming
That’s how it is with god’s love
Once you’ve experienced it
You want to sing
It’s fresh like spring
You want to pass it on

I wish for you my friend, this happiness that I’ve found
You can depend on him, it matters not where you’re bound
I’ll shout it from the mountain tops
I want the world to know
The lord of love has come to me
I want to pass it on
(repeat last 4 lines)

Tell Me Why
Tell me why, the stars do shine
Tell me why, the ivy twines
Tell me why, the ocean’s blue
And I will tell you, just why I love you

Because god made the stars to shine

Because god made the ocean blue
Because god made you, that’s why I love you
