Would you like to grow your knowledge and skills to become a better presenter and teacher? Are you short on time and travel money? No worries... we have the program for you!

WHAT IS IT?
Clover Speak is an educational, grant-based program conducted and created by the University of Tennessee 4-H Youth Development department. The program is designed specifically for 4-H adult volunteers, teen leaders and program assistants. The training is a series of six, on-line educational learning sessions. Clover Speak focuses on four areas -- youth development, presentations, public speaking and meeting facilitation. Each of these areas is supported by a series of sessions regarding important components of effective teaching and presenting. The 2016 Clover Speak Program will help you:

• Develop games and tools to teach, review and reinforce learning
